## Christmas Cheer for the New Year

The year 2011 is nearly over and has been a big year for the Willunga Farmers Market. The new committee is in place and we are all excited to keep moving with WFM into the new year. 2012 will see the celebration of our **10th birthday** and that is worth celebrating as Willunga Farmers Market is the longest running Farmers Market in South Australia.

From the management and the committee we trust you have had a successful 2011 and can look forward to an even better year in 2012. We wish you all a very **Merry Christmas** and a fabulous **New Year!**

WFM Chairperson, Steve Scown.

## Strawberry Ice

This dessert is just the ticket for a hot summer night. Simple and fresh, it's good for you too! Serve it in a bowl with a sprig of mint, or for an adult treat add a spoonful to a G&T.

Serves 4

500g Strawberries, hulled and roughly chopped  
Juice 1 lemon  
1 tbsp castor sugar

Blend all the ingredients until it becomes a liquid. Pour the mixture into a plastic container and freeze.

To serve scrape flakes off the top using a spoon, or put chunks into a blender using a grater attachment until you have enough. Bon appétit!
