

Willunga Farmers Market Farmers Scholarship Application

Willunga Farmers Market Farmers Scholarship

The Willunga Farmers Market Farmers Scholarship assists people to enter and create viable, long term careers in the agricultural industry.

The scholarship has been established in response to significantly decreasing numbers of primary producers, both nationwide and on the Fleurieu Peninsula. The scholarship will be paid to the eligible scholarship recipient over a 12-month period, as appropriate and after an initial 3 to 6-month preplanning period, to allow for the set up of a business growing primary produce on the Fleurieu Peninsula.

The scholarship recipient will receive:

- Start up capital to grow primary produce on the Fleurieu Peninsula
- Mentorship in small business management and farming practice
- a guaranteed licence to trade at Willunga Farmers Market (WFM) to supply primary produce and a weekly stall site for up to two years, with the first six months free of charge.

Funding

There is an initial 3 to 6-month preplanning period, after which Willunga Farmers Market will provide \$12,000 start up capital to the successful applicant. This capital can be used for items such as seeds, tools, land rental, insurance etc.

These funds will be made available to recipients in the first year of the program, with the scholarship recipient aiming to be self-sufficient by the end of the scholarship period.

Another \$3,000 managed by WFM will be dedicated to the mentorship of the scholarship recipient in small business management and farming practices. WFM will provide appropriate mentors, with sessions allocated to small business management and industry specific farming practices.

Scholarship Applicant Requirements

- Individuals or groups of not more than 6 people are eligible for the Willunga Farmers Market Farmers Scholarship.
- All applicants must fulfil the requirements of the application package and recipients will be bound by a contract issued by Willunga Farmers Market.
- All recipients must be available to work in the proposed business and attend small business and farming practice mentorship sessions in the first 12 months after commencing the scholarship.
- Recipients will be responsible for all costs associated with developing, growing and selling fresh produce for Willunga Farmers Market, including but not restricted to rent of land and insurance.
- Recipients must prioritise selling their produce at Willunga Farmers Market. Recipients are not restricted from selling their produce elsewhere, however they must as a priority have produce to fill a weekly stall at Willunga Farmers Market.
- Willunga Farmers Market reserves the right to undertake a financial audit of any operation using Willunga Farmers Market scholarship funds and to issue directives based on the outcome of that audit where necessary.

- Recipients must remain in the program (growing primary produce and selling this produce at Willunga Farmers Market) for a minimum period of 12 months. If a recipient leaves the program before the 12-month anniversary of receiving the initial scholarship payment, the recipient may be required to reimburse all or some of the funds awarded under the scholarship.
- Willunga Farmers Market reserves the right to cease the scholarship at any time if the requirements are not being met.

In return, Willunga Farmers Market will provide:

- \$12,000 cash component to be used towards the development of a financially sustainable farming enterprise
- Research and options for land on which to farm or prospective partnerships with existing farmers/ land-owners (any and all agreements and rent with the land owner is to be the responsibility of the scholarship recipient.)
- Small business and farming practice mentorship
- A permanent stall site at the Willunga Farmers Market as long as the recipient continues to grow primary produce on the Fleurieu Peninsula, subject to WFM Code of Practice conditions. This stall site will be given to scholarship recipient free of charge for the first 6 months, then charged at the current stallholder rate
- Support and information on produce gaps and produce needed in the market
- A sample contract for guidance for use of land contractual arrangements, if required.
