

COVID-19 SOUTH AUSTRALIAN ROADMAP CONSIDERATIONS

FOR OUR NEXT STEPS OF TRANSITION WE WILL BE:

- ✓ Following **EXPERT HEALTH ADVICE** and taking a **CAREFUL AND MEASURED** approach about which activities can resume and when

- ✓ Increasing our **PUBLIC HEALTH RESPONSE** including more testing and tracing with the COVIDsafe app

- ✓ Focusing on **GROWING JOBS AND THE ECONOMY** while balancing public health risks

- ✓ Resuming activities which **STRENGTHEN THE COMMUNITY** and improve our physical and mental wellbeing

- ✓ Planning how businesses can **RE-OPEN SAFELY**, including cleaning and disinfecting processes

- ✓ Reviewing the evidence about **HOW MANY PEOPLE** can safely be in different kinds of spaces and how often

- ✓ Considering **HOW LONG PEOPLE HAVE CLOSE CONTACT WITH EACH OTHER** and how many people they have contact with, to work out which activities can resume and when
