

Willunga Markets explained, briefly!

Willunga is well known as Market town - each market is operated independently and offers something different for locals and visitors to the region.

Willunga Farmers Market

Every Saturday, year-round, rain, hail or shine Town Square is home to the weekly Willunga Farmers Market. Established in 2002 it is South Australia's First Farmers Market.

An authentic Farmers Market with 70% of the stalls selling fresh produce including fruit, vegetables, seafood, eggs, meat, milk, olive oil and wine from the Fleurieu. The balance of stalls offer fresh baked goods and condiments with a strong focus on locally sourced ingredients. Meet the grower, taste the region.

Due to COVID19, the Willunga Farmers Market is operating across 2 sites for safe social distancing and you will currently find the fresh fruit and vegetables across the road at Willunga Recreation Park.
