

DOGS at WILLUNGA FARMERS MARKET

We welcome you to the Market today and thank you for supporting our local Farmers & Producers.

Unfortunately due to increasing complaints about Dog Behaviour in the Market we are under going a review of our policy.

It is important that you take note of the following information;

- 1. Your dog MUST be on a short lead at all times**
- 2. Dogs must be kept well away from stalls at all times**
- 3. Please clean up after your dog - we have had several complaints about dogs urinating near stalls & on signs and faeces not picked up**
- 4. Please do not leave your dog unattended or to be supervised / controlled by children at ANY time**
- 5. Please remove your dog from the Market if persistently barking**
- 6. We respectfully ask that you do not enter the Market with more than one dog under your control**
- 7. Market Management, Stallholders or Volunteers may ask you to remove your dog from the Market if the above is not being adhered to.**

Other important factors to consider when visiting the Market with your dog;

Be mindful when walking through crowds—particularly of prams and children

Be aware of your dogs body language - *signs of stress could include yawning, panting, tail between legs, nose licking or scratching*

Be aware of other dogs

Not everybody is comfortable around dogs so be mindful of your surrounds

Under the Cat & Dog Act you are responsible and personally liable for your dogs actions in a public space

THANK YOU—WFM MANAGEMENT, OCTOBER 2020
