

Vicki Osland

I have lived in Willunga with my family for over 25 years. I began my involvement with the Market soon after its inauguration. Over many years I have watched the Market grow and prosper into the beautiful market it is today. In nominating for the position as a Community Member of the Board I bring a number of qualifications, including policy and strategic management experience, mediation and negotiating skills, local Council experience and community involvement. I am currently a proud member of the Willunga Farmer's Market Board (since 2019) and am seeking another term to continue to be a strong voice for our Market community.
